

Green Payroll LLC

Restaurant Payroll & HR Made Easy

Transform food service payroll and HR challenges into easy, manageable solutions with Green Payroll. We help restaurants streamline their processes, improve efficiency, and stay compliant — all without the hassle of handling in-house.

Save Time with Easy Payroll

Running payroll shouldn't be time-consuming. Our streamlined workflows allow you to process payroll in just a few clicks — saving you time and reducing the chance for error.

Stay Compliant Effortlessly

Keeping up with changing regulations is tough. We take the guesswork out of compliance with automated updates and built-in guidance.

Experience Peace of Mind with Tax Support

No more stress during tax season. Our automated tax calculations and filing help prevent costly mistakes and penalties.

Empower Employees with Self-Service Tools

Let employees access pay stubs, benefits, and time-off requests on their own through a user-friendly portal.

Simplify Benefits Management

Managing benefits shouldn't be confusing. We offer easy benefits administration and competitive plan options.

Track Hours Accurately and Easily

Accurate time- and tip-tracking are essential. Our integrated system syncs with payroll to simplify attendance management.

Point of Sale Integration

Your POS system is the nervous system of your business. Green Payroll integrates with your POS system to simplify payroll and HR tasks — like tracking employee time, transactions, inventory, and more!

Protect Sensitive Data

Data security is a priority. With robust encryption and compliance measures, your employee data is always safe.

Onboard/Offboard Employees Smoothly

Effortless onboarding with digital paperwork and automated reminders streamlines the process for every new hire. When it comes time to part ways, these features ensure confidence and security for both sides.

Organize Employee Records with Ease

Access employee records and key HR documents in one centralized, secure location.
